LEGEND.

They say with age comes wisdom.

Well, when the business is passed down over 5 generations, wisdom is something you're born into. But you're responsible for adding value beyond that inheritance. It's your progressive thinking that leads to the next generation of our product.

MADE IN
AMERICA
SINCE 1921

Remember when “MADE IN AMERICA” meant something? It still does

Always ask for Y-Tex® All-American® ear tags for American quality at its very best. Our All-American® tags feature an advanced polyurethane formulation for greater flexibility and durability. A long, ribbed neck to prevent breakage and allow for greater tag visibility. A flexible male button and proven Snap-Lok® collar to prevent snagging and tag-button separation. And a longer shaft to enhance air circulation around the incision site for faster healing.

So when it's time to tag your cattle, ask your retailer for the brand made with pride right here in the USA. To learn more, visit www.ytex.com or call (888) 600-YTEX.

Why Showcase Selections?

Showcase Selections is so much more than just creating pretty cows for the show ring. It's about creating memories and it starts with a kid and a calf. For many of us in the dairy industry, some of our earliest memories are about that first show calf. The excitement, the work, the dedication, the anticipation; these are memories that last a lifetime. We have the Showcase Selections program because win, lose or draw, we hope to be part of that experience for the next kid and their calf.

Visit www.selectsires.com or talk to your Select Sires representative for a complete listing of our Showcase Selections sires.
